

COVID PREVENTION

What to expect:

Please arrive 5-10 minutes prior to class start time. No check-ins will be permitted after class has begun.

Masks are required before & after class and any time not in process of exercising.

Temperature checks are required upon arrival for every client.

Check-in via the CycleTrip app when possible. If unable, the instructor will check you in once in the class begins.

At the end of class, please wipe your equipment down. The staff will disinfect the equipment and room afterward.

Exit through the back door of the studio to reduce contact with others.

Studio Updates:

The iWave Air Purification system has been installed to ensure air quality throughout the studio.

CycleTrip has been thoroughly cleaned using BENEfect Decon 30 Disinfectant and staff will use this disinfectant between classes.

Number of cycles in the studio have been reduced to accommodate distancing guidelines.

We will continue to have 15 minutes between classes to allow for proper cleaning & disinfecting and to limit contact between participants.

Staff will have temperature checks on arrival and will wear masks except when teaching.
